

# PRO CLEAN

## TECHNICAL DATA SHEET

Updated: February, 2024.

## PRODUCT DESCRIPTION

Pro Clean grout cleaner is formulated with a powerful blend of high-quality detergents, specialized additives, and gentle soft acids. Pro Clean's potent formula effortlessly cuts through stubborn stains, restoring the original vibrant appearance of your grout lines. The soft acids in the formula gently etch the surface, revealing a brighter and more vibrant grout color.

*Available in 1/4 gallon spray bottle*

## WHERE TO USE

- Removes dried cement, grout haze and mortar residue from tile, concrete and masonry.
- Removes hard water deposits and efflorescence.
- Safe for use on most cement-based colored grouts, tile, clay pavers, concrete and masonry.

*Before using any cleaner, do a sample test in a small inconspicuous area to verify acceptable results.*

## LIMITATIONS

- Do not use this product for your everyday cleaning. Excessive and over-usage can result in surface damage.
- *Recommended usage is a maximum of 1-2 times per year.*
- **DO NOT USE ON POLISHED MARBLE OR POLISHED STONES AND AVOID CONTACT WITH METALS.**

**APPLICATION**

- 1 Apply a slightly damp layer of water over the grout, just enough to wet the surface for deaning.
- 2 Immediately apply the cleaner, spraying small areas at a time.
- 3 Allow the cleaner to work into the surface for 2 or 3 minutes and then with a brush or sponge, scrub the surface areas to remove the hardened dirt and other contaminates.
- 4 Immediately rinse clean with water.
- 5 It is recommended to use the Pro Clean 10 days after the grout installation to remove any remaining grout residue.

TECHNICAL INFORMATION	
Shelf Life	12 months
Storage	Tightly closed container in a cool, dry and well-ventilated area
pH	1 - 2
VOCs (SCAQMD Rule #1168)	0g per L

COVERAGE	
<i>*Actual coverage will vary depending on dilution used and the porosity and texture of existing surface.</i>	
BOTTLE SIZE	COVERAGE
1/4 gallon	75 ft <sup>2</sup> (5 m <sup>2</sup> )
